

At SembCorp Industries, we believe in leading by example. Our leadership core, comprising our Board of Directors and Senior Management both from the corporate office as well as our business units, strive relentlessly towards the common vision of establishing the Group as a competitive and dynamic player in the engineering services market. With their breadth and depth of experience and knowledge, they ensure SembCorp Industries' success through their active involvement and unwavering spirit of dedication in leading the Group forward.

passion:

Left: Peter Seah Lim Huat, Chairman
Right: Wong Kok Siew, Deputy Chairman & CEO

to lead
