Non-executive &
Lead Independent Director
Appointed January 18, 2021 **E C N**

Mr Lim is non-executive chairman of Changi Airport Group. He also serves on the boards of China Vanke, DLF Cyber City Developers and Enterprise Singapore. In addition, he is a member of the board of trustees

of Chinese Development Assistance Council, and is Singapore's non-resident high commissioner to the Republic of Mauritius.

Mr Lim previously served as president and group chief executive officer of CapitaLand Group.

Mr Lim holds a first class honours in mechanical engineering and

economics as well as an honorary doctorate from University of Birmingham. He also completed the Advanced Management Program at Harvard Business School.

Past directorships in listed companies and major appointments 2023–2025:

- Future Economy Council
- Singapore Business Federation

Manu Bhaskaran (age 67)
Non-executive &
Independent Director
Appointed July 1, 2024

Mr Bhaskaran is the founding chief executive officer of Centennial Asia Advisors. As a leading Asian economist, he has 40 years of experience in studying economic, political and security issues that shape the business environment in Asia.

Prior to Centennial, Mr Bhaskaran held senior positions at Société Générale's Asian investment banking division and was a member of its executive

committee. He previously worked for the Singapore government, supervising a team that prepared strategic political and economic assessments of Asia for senior government officials.

Mr Bhaskaran is an adjunct senior research fellow at Institute of Policy Studies, and serves as council member of the Economics Society of Singapore and of the Singapore Institute of International Affairs. He previously served as chairman of a high-level government committee that reviewed the regulation of money lenders, and was a member of Competition Appeals Board.

He also serves on the boards of companies including Luminor Capital and Storepay Holding.

Mr Bhaskaran holds a Bachelor of Arts with Honours from University of Cambridge and was conferred a Master of Arts (MA (Cantab)). He also holds a Master in Public Administration from Harvard University, and is a chartered financial analyst.

Past directorships in listed companies and major appointments 2023–2025:

Board of Directors

Prof Uwe Krueger (age 61) Non-executive & Non-independent Director Appointed October 1, 2024

Prof. Dr. Dr. h.c. Krueger is vice chairman, European Partnerships at Temasek International, where he joined in 2018 as head of industrials, business services, energy and resources, as well as head of Europe, Middle East and Africa. He also serves on the boards of gategroup AG (vice chairman) and Chain IQ Group AG (member).

Prior to Temasek International, Prof. Dr. Dr. h.c., Krueger was chief executive officer of WS Atkins, until the company was acquired by SNC Lavalin and delisted from the London Stock Exchange. Previously, he also held senior positions in other companies, including president of Cleantech Switzerland, senior advisor for TPG Capital and chief executive officer of Oerlikon Group. He began his career at an international strategy consulting firm A.T. Kearney, followed by Hochtief AG where he held several positions during his 10-year tenure,

including as chief executive officer of Central Eastern Europe, senior vice president of corporate development, as well as senior vice president and chairman of Turner International, a subsidiary of Hochtief AG.

Prof. Dr. Dr. h.c. Krueger holds a PhD in Physics and a graduate degree in Physics and Business Administration from University of Frankfurt. He also holds an honorary doctorate from Heriot Watt University. As honorary professor of physics, he lectures at Johann Wolfgang Goethe University.

Steven Phan Swee Kim (age 68) Non-executive & Independent Director Appointed March 27, 2026

An accountant by training, Mr Phan has more than 35 years of experience in the auditing and advisory fields, of which close to 10 years were spent overseas in London and Kuala Lumpur. He was formerly the Ernst & Young area managing partner for the Asia Pacific region and was responsible for all its businesses in the region, including assurance, tax, transaction

and advisory services. He was also a member of its Global Executive Board prior to his retirement in 2018. His work experience includes business consulting and process improvement for multinationals, government and quasi-government organisations, and advising companies on initial public offerings on various exchanges.

Mr Phan is a director of United Oversea Bank Limited, Jardine Cycle & Carriage and Advanced MedTech Holdings. He previously served as a director of Spring Singapore and Singapore Land Authority.

Mr Phan graduated from the University of Aston with a Bachelor of Science in Managerial and Administrative Studies and is a fellow of the Institute of Singapore Chartered Accountants. He also qualified as a chartered accountant under the Institute of Chartered Accountants of England and Wales.

Past directorships in listed companies and major appointments 2023–2025:

- Council for Board Diversity
- Singapore Accountancy Commission

Dr Josephine Kwa Lay Keng (age 67) Non-executive & Independent Director Appointed August 1, 2018 A R

Dr Kwa was previously chief executive officer of NSL and served in various functions over her 23-year tenure with the company, including being its chief operating officer and head of technology, responsible for energy and environmental investments, information technology, R&D, and strategy. Dr Kwa chaired the National Energy Efficiency Committee for Industries in Singapore from 2000 to 2009 and continues to sit on the

steering committee for the Singapore Certified Energy Manager programme.

Dr Kwa holds a PhD and Bachelor of Science with honours in Mechanical Engineering from University of Leeds.

Past directorships in listed companies and major appointments 2023–2025:

- Agency for Science, Technology and Research
- Barghest Building Performance

Wong Kim Yin (age 55) Group Chief Executive Officer Appointed July 1, 2020 E

Mr Wong has 30 years of leadership experience in the energy sector and in investment management. Since joining Sembcorp in July 2020, he has been instrumental in driving the transformation of the company's portfolio.

Mr Wong actively contributes to the global energy transition as vice chair, Asia, of the World Energy Council. He is chairman of Health Promotion Board, and serves on the boards of National Research Foundation and China Venture Capital Fund Corporation. He is also a member of GIC's investment board.

Mr Wong holds a Bachelor of Science from National University of Singapore, and a Master of Business Administration from University of Chicago Booth School of Business.

Past directorships in listed companies and major appointments 2023–2025:

- DSO National Laboratories
- Inland Revenue Authority of Singapore
- SkillsFuture Singapore Agency and related bodies

Prior to Sembcorp, Mr Wong was Group CEO of Singapore Power from 2012 to 2020, and has held senior roles in Temasek International and The AES Corporation.

Ong Chao Choon (age 62) Non-executive & Independent Director Appointed November 3, 2023 A R N

Mr Ong serves on the boards of Community Foundation of Singapore, Lee Kuan Yew Fund for Bilingualism and NCS. He was previously on the boards of Singapore Food Agency, National Environment Agency, Republic Polytechnic and Nanyang Business School Alumni Advisory Board. He was awarded the Public Service Medal in 2017.

Mr Ong previously worked in PwC for over 30 years, where he was a partner and held various leadership positions, including deputy chairman and advisory leader of PwC Singapore, as well as managing partner of PwC Myanmar. He brings extensive experience in mergers and acquisitions advisory accumulated over two decades, in addition to more than 10 years of auditing and business advisory experience.

Mr Ong holds a Bachelor of Accountancy with honours from

National University of Singapore. He also holds a Master of Business Administration in Banking and Finance from Nanyang Business School. He is a fellow of the Institute of Singapore Chartered Accountants and was a fellow of the Chartered Accountants Australia & New Zealand.

Past directorships in listed companies and major appointments 2023–2025:

- PwC Group of Companies

Board of Directors

Yap Chee Keong (age 65)
Non-executive &
Independent Director
Appointed October 1, 2016  

Mr Yap brings to the board financial, management and audit expertise, as well as experience in industry sectors including energy, infrastructure and real estate. He was formerly the executive director of The Straits Trading Company and chief financial officer of Singapore Power.

Currently, Mr Yap is the deputy chairman of Olam Group and

Seatrium and a director of Ensign InfoSecurity, OFI Group, Pacific International Lines, Shangri-La Asia and Singapore Life Holdings.

He previously served on the board of Singapore's Accounting and Corporate Regulatory Authority (ACRA) and on ACRA's Public Accountants Oversight Committee. He was a member of the working group convened by ACRA, Monetary Authority of Singapore (MAS) and Singapore Exchange (SGX) to review the Guidebook for Audit Committees in Singapore, as well as the panel

convened by ACRA, MAS, SGX and Singapore Institute of Directors which formulated guidelines for board risk committees.

Mr Yap holds a Bachelor of Accountancy from National University of Singapore and is a fellow of Institute of Singapore Chartered Accountants, Singapore Institute of Directors and CPA Australia.

Past directorships in listed companies and major appointments 2023–2025:

- Mediacorp

Dinesh Khanna (age 51)
Alternate Director to
Prof Uwe Krueger
Appointed February 25, 2026

Mr Khanna is currently joint head of the portfolio development group and corporate strategy at Temasek International. He partners closely with Temasek Portfolio Companies to drive long-term shareholder value and strengthen governance practices.

Prior to joining Temasek International, Mr Khanna spent over two decades at The Boston Consulting Group (BCG),

where he was a managing director and senior partner. He held multiple senior leadership roles, including as global chair of the People Team, member of BCG's executive and operating committees and as head of BCG Singapore from 2014 to 2015. He also led the global advantage practice, the corporate development practice, as well as the corporate development and private equity practice for Asia.

Mr Khanna previously served on the Singapore Future Economy subcommittee and as a member of the World Economic Forum Global

Agenda Growth Council. He also served on the board of Safe Horizon, the largest victim services non-profit organisation in the US, from 2019 to 2021. He currently serves on the boards of Singtel, Olam Group, Surbana Jurong, Gategroup Holding AG and OFI Group.

He holds a Bachelor of Technology from Indian Institute of Technology Delhi as an Institute Silver Medallist and a Master of Business Administration from Indian Institute of Management Bangalore, where he graduated as the Institute Gold Medallist.

International Technology Panel

The International Technology Panel helps Sembcorp stay ahead in the fast-changing landscape of energy transition, climate action and digital innovation. Partnering with Sembcorp's senior leadership, the ITP provides strategic insights and clear recommendations to guide technology-related decisions. This underscores the importance Sembcorp places on existential areas to keep the company focused on future-ready energy systems and solutions.

Jonathan Asherson, OBE
Chairman

Mr Asherson brings extensive experience in the energy and aerospace sectors across Europe and Asia. He currently serves as chairman of Sembcorp Energy UK.

Mr Asherson was previously president of Rolls-Royce Southeast Asia and later retired as chairman of Rolls-Royce Singapore, where he oversaw the

company's regional operations across civil aerospace, defence, marine and energy in Asia Pacific.

He has chaired the Singapore International Chamber of Commerce and British Chamber of Commerce, and served as a non-executive director of the UK Department for International Trade and the Economic Development Board of Singapore. He was also a council member of the Singapore National Employers Federation.

His contributions have earned him distinguished honours, including an Order of the British Empire (OBE) medal as an officer in 2007 and the Public Service Medal (Friends of Singapore) under the Singapore National Day Awards in 2010.

He holds a Bachelor of Science in mechanical engineering and an honorary doctorate of science from Kingston University.

Pieter Franken
Member

Mr Franken started his career as a researcher at Hitachi's Central Research Lab in Japan and has since held executive roles at Aplus, Citigroup, Elevandi, Monex Group, Monex Securities and Shinsei Bank. He is currently managing director at GFTN (Global Finance and Technology Network – formerly Elevandi) and also CEO of GFTN Japan, where he plays a key role in strengthening and expanding Singapore's financial technology (FinTech) ecosystem into Japan and Northeast Asia.

For more than a decade (2016–2025), he has supported the Monetary Authority of Singapore (MAS) as a member of its International Technology Advisory Panel and also served on the board of GFTN.

In 2011, Mr Franken co-founded Safecast, a global non-profit enabling accessible environmental data through ordinary citizens collecting such data. The genesis was Japan's Fukushima nuclear accident where trusted data is premium.

He is also the founding member of the ASEAN Financial Innovation Network, promoting financial

inclusion and digital transformation in ASEAN through the APIX platform in collaboration with IFC World Bank and MAS.

As a senior researcher and guest professor at Murai Lab, Keio University, Mr Franken contributes to research on Internet of Things, digital assets, FinTech, and financial inclusion.

He holds a Master of Science in computer science from Delft University.

International Technology Panel

Prof Liu Bin Member

Prof Liu is the deputy president (research and technology) at the National University of Singapore (NUS). She is a fellow of the Singapore Academy of Engineering and the Singapore National Academy of Sciences and an international member of the US National Academy of Engineering.

An internationally acclaimed leader in organic functional materials, Prof Liu has been highly recognised for her contributions in polymer chemistry and the application of organic nanomaterials for biomedical, environmental and energy (hydrogen) research. Since 2014, she has been named annually among the World's Most Influential Scientific Minds by Thomson Reuters and the Top 1% Highly Cited Researchers by

Clarivate. In 2024, she was honoured with the prestigious President's Science Award in Singapore.

Prof Liu holds bachelor's and master's degrees from Nanjing University and a PhD in chemistry from NUS. She also received postdoctoral training at the University of California, Santa Barbara.

Prof Lui Pao Chuen Member

Prof Lui is Singapore's first chief defence scientist and the Temasek defence professor at the National University of Singapore (NUS). With extensive experience in engineering, he has played a key role in national infrastructure projects and chairs several high-level steering committees.

He serves on the boards of corporations, government agencies, research institutions and technical organisations,

as well as steering committees for major infrastructure projects.

Prof Lui is a fellow of the Singapore Academy of Engineering and the Singapore National Academy of Sciences, as well as an honorary fellow of the ASEAN Federation of Engineering Organisations. His accolades include the National Science and Technology Medal, the President's Medal from the Institute of Physics Singapore, the Pioneer Award from the International Council on Systems Engineering, the Lifetime Engineering Achievement Award, the Defence

Technology Medal (Outstanding Service) and the Aviation Pioneer Award. In 2024, he was named a distinguished honorary fellow of the Institute of Physics Singapore. In 2025, he was awarded the prestigious Distinguished Service Order at the 2025 National Day Awards.

Prof Lui holds a Bachelor of Science in physics from NUS and a Master of Science in operations research and systems analysis from the Naval Postgraduate School.

Philippe Joubert Member

Mr Joubert is the founder and CEO of Earth on Board, a leading organisation advocating for the necessary changes in business governance to lead the evolution of the business model based on respect of the planet boundaries. He serves as senior advisor and is a

former special envoy for energy and climate at the World Business Council for Sustainable Development.

He is also senior advisor for international development at the World Energy Council and a former chair of the advisory board of the Cambridge Institute for Sustainability Leadership, where he remains a fellow.

He previously served as president of Alstom Power, deputy CEO of the Alstom Group and chair of the Prince of Wales's Corporate Leaders Group. He sits on the boards of several global companies.

Mr Joubert holds a Bachelor of Science in finance and economy from ESSEC Business School. He has been honoured as Chevalier de la Legion d'Honneur.
