To: The Shareholders of
Sembcorp Industries Ltd (the "**Company**")

Dear Sir/Madam

1. INTRODUCTION

1.1 **Background.** We refer to:

- (a) the Notice of the Twenty-Eighth Annual General Meeting ("**AGM**") of the Company dated April 14, 2026 (the "**Notice**"), convening the Twenty-Eighth AGM of the Company to be held on April 29, 2026 (the "**2026 AGM**");
- (b) Ordinary Resolution No. 13 relating to the proposed renewal of the IPT Mandate (as defined in paragraph 2.1 below, as proposed in the Notice); and
- (c) Ordinary Resolution No. 14 relating to the proposed renewal of the Share Purchase Mandate (as defined in paragraph 3.1 below, as proposed in the Notice).

1.2 **Letter to Shareholders.** The purpose of this Letter is to provide shareholders of the Company ("**Shareholders**") with information relating to Ordinary Resolution Nos. 13 and 14, as proposed in the Notice (collectively, the "**Proposals**").

1.3 **SGX-ST.** The Singapore Exchange Securities Trading Limited (the "**SGX-ST**") takes no responsibility for the accuracy of any statements or opinions made or reports contained in this Letter.

1.4 **Legal Adviser.** Allen & Gledhill LLP is the legal adviser to the Company in relation to the proposed renewal of the Share Purchase Mandate.

LETTER TO SHAREHOLDERS

1.5 **Advice to Shareholders.** Shareholders who are in any doubt as to the course of action they should take should consult their stockbroker, bank manager, solicitor, accountant or other professional advisers immediately.

2. THE PROPOSED RENEWAL OF THE IPT MANDATE

2.1 **IPT Mandate.** At the AGM of the Company held on April 25, 2025 (the “**2025 AGM**”), Shareholders approved the renewal of a mandate (the “**IPT Mandate**”) to enable the Company, its subsidiaries and associated companies that are entities at risk (as that term is used in Chapter 9 of the Listing Manual of the SGX-ST (the “**Listing Manual**”)) to enter into certain interested person transactions with the classes of interested persons as set out in the IPT Mandate. Particulars of the IPT Mandate were set out in the Appendix to the Letter to Shareholders dated April 1, 2025 (the “**2025 Letter**”).

The IPT Mandate was expressed to take effect until the conclusion of the next AGM of the Company, being the 2026 AGM which is scheduled to be held on April 29, 2026. Accordingly, the Directors of the Company (the “**Directors**”) propose that the IPT Mandate be renewed at the 2026 AGM, to take effect until the Twenty-Ninth AGM of the Company. The terms of the IPT Mandate which is sought to be renewed remain unchanged.

2.2 **The Appendix.** The IPT Mandate, including the rationale for, and the benefits to, the Company, the review procedures for determining transaction prices and other general information relating to Chapter 9 of the Listing Manual, are set out in the Appendix to this Letter.

2.3 **Audit Committee Statement.** The Audit Committee of the Company, comprising Yap Chee Keong, Dr Josephine Kwa Lay Keng, Marina Chin Li Yuen and Ong Chao Choon, confirms that:

- (a) the methods or procedures for determining the transaction prices under the IPT Mandate have not changed since the 2025 AGM; and
- (b) the methods or procedures referred to in paragraph 2.3(a) above are sufficient to ensure that the transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

3. THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

3.1 **Share Purchase Mandate.** At the 2025 AGM, Shareholders approved the renewal of a mandate (the “**Share Purchase Mandate**”) to enable the Company to purchase or otherwise acquire issued ordinary shares of the Company (“**Shares**”). The authority and limitations on the Share Purchase Mandate were set out in the 2025 Letter and Ordinary Resolution No. 12 set out in the Notice of the 2025 AGM.

The Share Purchase Mandate was expressed to take effect on the date of the passing of Ordinary Resolution No. 12 at the 2025 AGM and will expire on the date of the forthcoming 2026 AGM to be held on April 29, 2026. Accordingly, Shareholders’ approval is being sought for the renewal of the Share Purchase Mandate at the 2026 AGM.

As at March 16, 2026 (the “**Latest Practicable Date**”), the Company had purchased or acquired an aggregate of 3,400,000 Shares by way of Market Purchases (as defined in paragraph 3.3.3 below) pursuant to the Share Purchase Mandate approved by Shareholders at the 2025 AGM. The highest and lowest price paid was S\$6.60 and S\$6.05 per Share respectively and the total consideration paid for all purchases was S\$21,122,359 excluding commission, brokerage and goods and services tax.

As at the Latest Practicable Date, the Company had not purchased or acquired any of its Shares by way of Off-Market Purchases (as defined in paragraph 3.3.3 below) pursuant to the Share Purchase Mandate approved by Shareholders at the 2025 AGM.

LETTER TO SHAREHOLDERS

3.2 **Rationale.** The rationale for the Company to undertake the purchase or acquisition of its Shares is as follows:

- (a) In managing the business of the Company and its subsidiaries (the “**Group**”), management strives to increase Shareholders’ value by improving, *inter alia*, the return on equity of the Group. Share purchase is one of the ways through which the return on equity of the Group may be enhanced;
- (b) The Share Purchase Mandate is an available option for the Company to return surplus cash which is in excess of the financial and possible investment needs of the Group to its Shareholders. In addition, the Share Purchase Mandate will allow the Company to have greater flexibility over, *inter alia*, the Company’s share capital structure and its dividend policy; and
- (c) Purchased Shares which are held in treasury may be transferred for the purposes of employee share schemes implemented by the Company. The use of treasury shares in lieu of issuing Shares would also mitigate the dilution impact on existing Shareholders.

The approval of the Share Purchase Mandate authorising the Company to purchase or acquire its Shares would give the Company the flexibility to undertake share purchases or acquisitions at any time, subject to market conditions, during the period when the Share Purchase Mandate is in force.

While the Share Purchase Mandate would authorise a purchase or acquisition of Shares up to the 2% limit described in paragraph 3.3.1 below, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate may not be carried out to the full 2% limit as authorised and no purchases or acquisitions of Shares would be made in circumstances which would have or may have a material adverse effect on the financial condition of the Company.

3.3 **Authority and Limits.** The authority and limitations placed on the Share Purchase Mandate, if renewed at the 2026 AGM, are substantially the same as were previously approved by Shareholders at the 2025 AGM. These are summarised below:

3.3.1 **Maximum Number of Shares**

The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Purchase Mandate is limited to that number of Shares representing not more than 2% of the total number of issued Shares as at the date of the 2026 AGM. Treasury shares and subsidiary holdings (as defined in the Listing Manual)¹ will be disregarded for purposes of computing the 2% limit.

As at the Latest Practicable Date, the Company had 9,547,674 treasury shares and no subsidiary holdings. Purely for illustrative purposes, on the basis of 1,787,547,732 Shares in issue as at the Latest Practicable Date and disregarding the 9,547,674 Shares held in treasury as at the Latest Practicable Date, and assuming that on or prior to the 2026 AGM, (i) no further Shares are issued, (ii) no further Shares are purchased or acquired by the Company, and no further Shares purchased or acquired by the Company are held as treasury shares, and (iii) no Shares are held as subsidiary holdings, the purchase or acquisition by the Company of up to the maximum limit of 2% of its issued Shares will result in the purchase or acquisition of 35,560,001 Shares.

3.3.2 **Duration of Authority**

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the 2026 AGM at which the renewal of the Share Purchase Mandate is approved, up to:

- (a) the date on which the next AGM of the Company is held or required by law to be held;
- (b) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied; or
- (c) the date on which purchases and acquisitions of Shares pursuant to the Share Purchase Mandate are carried out to the full extent mandated,

whichever is the earliest.

¹ “Subsidiary holdings” is defined in the Listing Manual to mean shares referred to in Sections 21(4), 21(4B), 21(6A) and 21(6C) of the Companies Act 1967.

LETTER TO SHAREHOLDERS

3.3.3 *Manner of Purchases or Acquisitions of Shares*

Purchases or acquisitions of Shares may be made by way of:

- (a) on-market purchases ("**Market Purchases**") transacted on the SGX-ST through the SGX-ST's trading system, through one or more duly licensed stockbrokers appointed by the Company for the purpose; and/or
- (b) off-market purchases ("**Off-Market Purchases**") effected pursuant to an equal access scheme.

The Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Listing Manual and the Companies Act 1967 (the "**Companies Act**") as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes.

An Off-Market Purchase must, however, satisfy all the following conditions:

- (i) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (iii) the terms of all the offers shall be the same, except that there shall be disregarded (1) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements and (2) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

If the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, it will issue an offer document containing at least the following information:

- (1) terms and conditions of the offer;
- (2) period and procedures for acceptances; and
- (3) information required under Rules 883(2), (3), (4), (5) and (6) of the Listing Manual.

3.3.4 *Purchase Price*

The purchase price (excluding brokerage, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors and must not exceed, in the case of both Market Purchases and Off-Market Purchases, 105% of the Average Closing Price of the Shares, excluding related expenses of the purchase or acquisition.

For the above purposes:

"Average Closing Price" means the average of the last dealt prices of a Share for the five consecutive market days on which the Shares are transacted on the SGX-ST immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted in accordance with the listing rules of the SGX-ST for any corporate action which occurs during the relevant five-day period and the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase; and

"date of the making of the offer" means the date on which the Company makes an offer for the purchase or acquisition of Shares from holders of Shares, stating therein the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

- 3.4 **Status of Purchased Shares.** Shares purchased or acquired by the Company are deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Shares will expire on such cancellation) unless such Shares are held by the Company as treasury shares. The total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company, which are cancelled and are not held as treasury shares.

LETTER TO SHAREHOLDERS

3.5 **Treasury Shares.** Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

3.5.1 **Maximum Holdings**

The number of Shares held as treasury shares² cannot at any time exceed 10% of the total number of issued Shares.

3.5.2 **Voting and Other Rights**

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. A subdivision or consolidation of any treasury share is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

3.5.3 **Disposal and Cancellation**

Where Shares are held as treasury shares, the Company may at any time but subject always to the Singapore Code on Take-overs and Mergers (the "**Take-over Code**"):

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to any share scheme, whether for employees, directors or other persons;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

Under Rule 704(28) of the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares. Such announcement must include details such as the date of the sale, transfer, cancellation and/or use of such treasury shares, the purpose of such sale, transfer, cancellation and/or use of such treasury shares, the number of treasury shares which have been sold, transferred, cancelled and/or used, the number of treasury shares before and after such sale, transfer, cancellation and/or use, the percentage of the number of treasury shares against the total number of issued shares (of the same class as the treasury shares) which are listed on the SGX-ST before and after such sale, transfer, cancellation and/or use, and the value of the treasury shares if they are used for a sale or transfer, or cancelled.

3.6 **Source of Funds.** The Company may purchase or acquire its own Shares out of capital, as well as from its profits.

The Company will use internal sources of funds of the Group to finance the Company's purchase or acquisition of the Shares. The Company does not intend to obtain or incur any external borrowings to finance such purchase or acquisition. The Directors do not propose to exercise the Share Purchase Mandate to such extent that it would materially affect the working capital requirements of the Group.

² For these purposes, "treasury shares" shall be read as including shares held by a subsidiary under Sections 21(4B) or 21(6C) of the Companies Act 1967.

LETTER TO SHAREHOLDERS

3.7 Financial Effects. The financial effects on the Group and the Company arising from purchases or acquisitions of Shares which may be made pursuant to the Share Purchase Mandate will depend on, *inter alia*, whether the Shares are purchased or acquired out of profits and/or capital of the Company, the number of Shares purchased or acquired, the price paid for such Shares and whether the Shares purchased or acquired are held in treasury or cancelled. The financial effects on the Group and the Company, based on the audited financial statements of the Group and the Company for the financial year ended December 31, 2025, are based on the assumptions set out below.

3.7.1 Purchase or Acquisition out of Profits and/or Capital

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's profits and/or capital so long as the Company is solvent.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration will correspondingly reduce the amount available for the distribution of dividends by the Company.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of dividends by the Company will not be reduced.

3.7.2 Number of Shares Purchased or Acquired

Based on the number of issued and paid-up Shares as at the Latest Practicable Date (excluding the 9,547,674 Shares held in treasury) and on the assumptions set out in paragraph 3.3.1 above, the purchase by the Company of up to the maximum limit of 2% of its issued Shares will result in the purchase or acquisition of 35,560,001 Shares.

3.7.3 Maximum Price Paid for Shares Purchased or Acquired

Assuming that the Company purchases or acquires 35,560,001 Shares at the maximum price, in the case of both Market Purchases and Off-Market Purchases, of S\$6.04 for one Share (being the price equivalent to 105% of the Average Closing Price of the Shares for the five consecutive market days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 35,560,001 Shares is S\$214,782,406.

3.7.4 Illustrative Financial Effects

The financial effects on the Group and the Company arising from purchases or acquisitions of Shares which may be made pursuant to the Share Purchase Mandate will depend on, *inter alia*, whether the purchase or acquisition is made out of profits and/or capital, the aggregate number of Shares purchased or acquired, the consideration paid at the relevant time and whether the Shares purchased or acquired are cancelled or held in treasury.

For illustrative purposes only and on the basis of the assumptions set out in paragraphs 3.7.2 and 3.7.3 above, the financial effects of the purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate on the audited financial statements of the Group and the Company for the financial year ended December 31, 2025 are set out below and assuming the following:

- (a) the purchase or acquisition of 35,560,001 Shares by the Company pursuant to the Share Purchase Mandate made equally out of profits and capital, and cancelled;
- (b) the purchase or acquisition of 35,560,001 Shares by the Company pursuant to the Share Purchase Mandate made equally out of profits and capital, and held in treasury; and
- (c) the purchase or acquisition of 35,560,001 Shares by the Company pursuant to the Share Purchase Mandate had occurred on January 1, 2025.

The financial effects set out above are for illustrative purposes only. Although the Share Purchase Mandate would authorise the Company to purchase or acquire up to 2% of the issued Shares (excluding treasury shares and subsidiary holdings), the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 2% of the issued Shares (excluding treasury shares and subsidiary holdings). In addition, the Company may cancel all or part of the Shares purchased or hold all or part of the Shares purchased in treasury.

LETTER TO SHAREHOLDERS

3.8 Listing Status of the Shares. The Listing Manual requires a listed company to ensure that at least 10% of the total number of issued shares (excluding treasury shares, preference shares and convertible equity securities) in a class that is listed is at all times held by the public. As at the Latest Practicable Date, Temasek Holdings (Private) Limited (“**Temasek**”), who is a substantial Shareholder of the Company, has a direct interest in 49.00% (excluding the Shares held in treasury), a deemed interest (through Startree Investments Pte. Ltd.) in 0.53% (excluding the Shares held in treasury) and a deemed interest in approximately 0.05% (excluding the Shares held in treasury) of the issued Shares. Approximately 49.96% of the issued Shares (excluding the Shares held in treasury) are held by public Shareholders as at the Last Practicable Date.

The Company is of the view that there is a sufficient number of Shares in issue held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its Shares through Market Purchases up to the full 2% limit pursuant to the Share Purchase Mandate without affecting the listing status of the Shares on the SGX-ST, causing market illiquidity or affecting orderly trading.

3.9 Listing Rules. Rule 886(1) of the Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m. (i) in the case of a Market Purchase, on the market day following the day of purchase or acquisition of any of its shares and (ii) in the case of an Off-Market Purchase under an equal access scheme, on the second market day after the close of acceptances of the offer. Such announcement (which must be in the form of Appendix 8.3.1 to the Listing Manual) must include, *inter alia*, details of the date of the purchase, the total number of shares purchased, the number of shares cancelled, the number of shares held as treasury shares, the purchase price per share or the highest and lowest prices paid for such shares (as applicable), the total consideration (including stamp duties and clearing charges) paid or payable for the shares, the number of shares purchased as at the date of announcement (on a cumulative basis), the number of issued shares excluding treasury shares and subsidiary holdings after the purchase, the number of treasury shares held after the purchase and the number of subsidiary holdings after the purchase.

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Purchase Mandate at any time after a price or trade sensitive development has occurred or has been the subject of a decision until the price or trade sensitive information has been publicly announced. In particular, the Company will not purchase or acquire any Shares during the period of one month immediately preceding the announcement of the Company’s half-year and full-year financial statements.

3.10 Take-over Implications. Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:

3.10.1 Obligation to Make a Take-over Offer

If, as a result of any purchase or acquisition by the Company of its Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert with a Director could obtain or consolidate effective control of the Company and become obliged to make a take-over offer under Rule 14 of the Take-over Code.

3.10.2 Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

Unless the contrary is established, the Take-over Code presumes, *inter alia*, the following individuals and companies to be persons acting in concert with each other:

(a) the following companies:

(i) a company;

LETTER TO SHAREHOLDERS

- (ii) the parent company of (i);
 - (iii) the subsidiaries of (i);
 - (iv) the fellow subsidiaries of (i);
 - (v) the associated companies of any of (i), (ii), (iii) or (iv);
 - (vi) companies whose associated companies include any of (i), (ii), (iii), (iv) or (v); and
 - (vii) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights; and
- (b) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts).

The circumstances under which the Shareholders (including the Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

3.10.3 *Effect of Rule 14 and Appendix 2*

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, the Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or in the event that such Directors and their concert parties hold between 30% and 50% of the Company's voting rights, if the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months. In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Purchase Mandate.

Based on the interests of the substantial Shareholder as recorded in the Register of Substantial Shareholders as at the Latest Practicable Date, Temasek would not become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code as a result of the purchase by the Company of the maximum limit of 2% of its issued Shares (excluding treasury shares) as at the Latest Practicable Date.

Shareholders are advised to consult their professional advisers and/or the Securities Industry Council at the earliest opportunity as to whether an obligation to make a take-over offer would arise by reason of any share purchases by the Company.

APPENDIX

THE IPT MANDATE

1. Chapter 9 of the Listing Manual

- 1.1 Chapter 9 of the listing manual (the “**Listing Manual**”) of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”) governs transactions by a listed company, as well as transactions by its subsidiaries and associated companies that are considered to be at risk, with the listed company’s interested persons. When this Chapter applies to a transaction and the value of that transaction alone or on aggregation with other transactions conducted with the interested person during the financial year reaches, or exceeds, certain materiality thresholds, the listed company is required to make an immediate announcement, or to make an immediate announcement and seek its shareholders’ approval for that transaction.
- 1.2 Except for certain transactions which, by reason of the nature of such transactions, are not considered to put the listed company at risk to its interested person and hence are excluded from the ambit of Chapter 9 of the Listing Manual, immediate announcement and shareholders’ approval would be required in respect of transactions with interested persons if certain financial thresholds (which are based on the value of the transaction as compared with the listed company’s latest audited consolidated net tangible assets (“**NTA**”)) are reached or exceeded. In particular, shareholders’ approval is required for an interested person transaction of a value equal to, or which exceeds:
- (a) 5% of the listed company’s latest audited consolidated NTA; or
 - (b) 5% of the listed company’s latest audited consolidated NTA, when aggregated with other transactions entered into with the same interested person (as such term is construed under Chapter 9 of the Listing Manual) during the same financial year.
- 1.3 Based on the latest audited consolidated financial statements of Sembcorp Industries Ltd (“**Sembcorp Industries**”) and its subsidiaries (the “**Sembcorp Group**”) for the financial year ended December 31, 2025, the consolidated NTA of the Sembcorp Group was S\$4,545 million. In relation to Sembcorp Industries, for the purposes of Chapter 9 of the Listing Manual, in the current financial year and until such time that the consolidated audited financial statements of the Sembcorp Group for the year ending December 31, 2026 are published, 5% of the latest audited consolidated NTA of the Sembcorp Group would be S\$227 million.
- 1.4 Chapter 9 of the Listing Manual permits a listed company, however, to seek a mandate from its shareholders for recurrent transactions of a revenue or trading nature or those necessary for its day-to-day operations such as the purchase and sale of supplies and materials (but not in respect of the purchase or sale of assets, undertakings or businesses) that may be carried out with the listed company’s interested persons.
- 1.5 Under the Listing Manual:
- (a) an “**entity at risk**” means:
 - (i) the listed company;
 - (ii) a subsidiary of the listed company that is not listed on the SGX-ST or an approved exchange; or
 - (iii) an associated company of the listed company that is not listed on the SGX-ST or an approved exchange, provided that the listed company and/or its subsidiaries (the “**listed group**”), or the listed group and its interested person(s), has control over the associated company;
 - (b) an “**interested person**” means a director, chief executive officer or controlling shareholder of the listed company or an associate of such director, chief executive officer or controlling shareholder. The SGX-ST may also deem any person or entity to be an interested person if the person or entity has entered into, or proposes to enter into (i) a transaction with an entity at risk, and (ii) an agreement or arrangement with an interested person in connection with that transaction;

APPENDIX

- (c) an “**associate**” in relation to an interested person who is a director, chief executive officer or controlling shareholder includes an immediate family member (that is, the spouse, child, adopted child, step-child, sibling or parent) of such director, chief executive officer or controlling shareholder, the trustees of any trust of which the director/his immediate family, the chief executive officer/his immediate family or controlling shareholder/his immediate family is a beneficiary or, in the case of a discretionary trust, is a discretionary object, and any company in which the director/his immediate family, the chief executive officer/his immediate family or controlling shareholder/his immediate family has or have an aggregate interest (directly or indirectly) of 30% or more, and, where a controlling shareholder is a corporation, its subsidiary or holding company or fellow subsidiary or a company in which it and/or they have (directly or indirectly) an interest of 30% or more;
- (d) an “**approved exchange**” means a stock exchange that has rules which safeguard the interests of shareholders against interested person transactions according to similar principles to Chapter 9 of the Listing Manual; and
- (e) an “**interested person transaction**” means a transaction between an entity at risk and an interested person.

2. Rationale for the IPT Mandate

- 2.1 It is envisaged that in the ordinary course of their businesses, transactions between companies in the EAR Group (as defined below) and Sembcorp Industries’ interested persons are likely to occur from time to time. Such transactions would include, but are not limited to, the provision of goods and services in the ordinary course of business of the EAR Group to Sembcorp Industries’ interested persons or the obtaining of goods and services from them.
- 2.2 In view of the time-sensitive nature of commercial transactions, the renewal of the mandate (the “**IPT Mandate**”) pursuant to Chapter 9 of the Listing Manual will enable:
 - (a) Sembcorp Industries;
 - (b) subsidiaries of Sembcorp Industries (excluding subsidiaries listed on the SGX-ST or an approved exchange); and
 - (c) associated companies of Sembcorp Industries (other than an associated company that is listed on the SGX-ST or an approved exchange) over which the Sembcorp Group, or the Sembcorp Group and interested person(s) of Sembcorp Industries has or have control,

(together, the “**EAR Group**”), or any of them, in the ordinary course of their businesses, to enter into the categories of transactions (“**Interested Person Transactions**”) set out in paragraph 6.1 below with the specified classes of Sembcorp Industries’ interested persons (the “**Interested Persons**”) set out in paragraph 5.1 below, provided such Interested Person Transactions are made on normal commercial terms.

3. Scope of the IPT Mandate

- 3.1 The EAR Group engages in a wide range of activities (as described in paragraph 6.1 below) for which the renewal of the IPT Mandate is being sought.
- 3.2 The IPT Mandate does not cover any transaction by a company in the EAR Group with an Interested Person that is below S\$100,000 in value as the threshold and aggregation requirements of Chapter 9 of the Listing Manual would not apply to such transactions. The IPT Mandate would, however, cover Interested Person Transactions with values below S\$100,000 entered into during the same financial year and which are aggregated by the SGX-ST under Chapter 9 of the Listing Manual and treated as if they were one Interested Person Transaction which has a value of S\$100,000 or more.
- 3.3 Transactions with interested persons (including the Interested Persons) that do not fall within the ambit of the IPT Mandate will be subject to the relevant provisions of Chapter 9 of the Listing Manual and/or other applicable provisions of the Listing Manual.

APPENDIX

4. Benefit to Shareholders

The IPT Mandate (and its subsequent renewal thereafter on an annual basis) will enhance the ability of companies in the EAR Group to pursue business opportunities which are time-sensitive in nature, and will eliminate the need for Sembcorp Industries to announce, or to announce and convene separate general meetings on each occasion to seek Shareholders' prior approval for the entry by the relevant company in the EAR Group into such transactions. This will substantially reduce the expenses associated with the convening of general meetings on an ad hoc basis, improve administrative efficacy considerably, and allow manpower resources and time to be channelled towards attaining other corporate objectives.

5. Classes of Interested Persons

5.1 The IPT Mandate applies to the Interested Person Transactions (as described in paragraph 6.1 below) which are carried out with the following classes of Interested Persons:

- (a) Temasek Holdings (Private) Limited and its associates (the "**Temasek Group**"); and
- (b) Directors, Chief Executive Officer(s) and controlling shareholders of Sembcorp Industries (other than the controlling shareholder described in sub-paragraph (a) above) and their respective associates.

5.2 Transactions with Interested Persons which do not fall within the ambit of the IPT Mandate shall be subject to the relevant provisions of Chapter 9 of the Listing Manual.

The EAR Group may, from time to time, provide or receive the following services ("**Support Services**") to or from its Interested Persons:

APPENDIX

By having access to and providing the above services, the EAR Group will derive operational and financial leverage in its dealings with third parties as well as ensure consistency and efficiency in its IT and accounting practices.

7. Review Procedures for Interested Person Transactions

7.1 The EAR Group has established the following procedures to ensure that Interested Person Transactions are undertaken on an arm's length basis and on normal commercial terms:

7.1.1 General Transactions

Review Procedures

In general, there are procedures established by the EAR Group to ensure that General Transactions with Interested Persons are undertaken on an arm's length basis and on normal commercial terms consistent with the EAR Group's usual business practices and policies, which are generally no more favourable to the Interested Persons than those extended to unrelated third parties. In particular, the following review procedures have been put in place.

(a) *Provision of services or the sale of products*

The review procedures are:

- (i) all contracts entered into or transactions with Interested Persons are to be carried out at the prevailing market rates or prices of the service or product providers, on terms which are no more favourable to the Interested Person than the usual commercial terms extended to unrelated third parties (including, where applicable, preferential rates/prices/discounts accorded to corporate customers or for bulk purchases) or otherwise in accordance with applicable industry norms; and
- (ii) where the prevailing market rates or prices are not available due to the nature of service to be provided or the product to be sold, the EAR Group's pricing for such services to be provided or products to be sold to Interested Persons is determined in accordance with the EAR Group's usual business practices and pricing policies, consistent with the usual margin to be obtained by the EAR Group for the same or substantially similar type of contract or transaction with unrelated third parties. In determining the transaction price payable by Interested Persons for such services or products, factors such as, but not limited to, quantity, volume consumption, customer requirements, specifications, duration of contract and strategic purposes of the transaction will be taken into account; and

(b) *Obtaining of services or the purchasing of products*

The review procedures are:

- (i) all contracts entered into or transactions with Interested Persons are to be carried out by obtaining quotations (wherever possible or available) from at least two other unrelated third party suppliers for similar quantities and/or quality of services or products, prior to the entry into of the contract or transaction with the Interested Person, as a basis for comparison to determine whether the price and terms offered by the Interested Person are fair and reasonable and comparable to those offered by other unrelated third parties for the same or substantially similar type of services or products. In determining whether the price and terms offered by the Interested Person are fair and reasonable, factors such as, but not limited to, delivery schedules, specification compliance, track record, experience and expertise, and where applicable, preferential rates, rebates or discounts accorded for bulk purchases, will also be taken into account; and
- (ii) in the event that such competitive quotations cannot be obtained (for instance, if there are no unrelated third party vendors of similar products or services, or if the product is a proprietary item), the senior management staff of the relevant company in the EAR Group (with no interest, direct or indirect in the transaction), will determine whether the price and terms offered by the Interested Person are fair and reasonable.

APPENDIX

Threshold Limits

In addition to the review procedures, the following threshold limits (“**GT Limits**”) will be applied to supplement the internal systems of the EAR Group to ensure that General Transactions are undertaken with Interested Persons on an arm’s length basis and on normal commercial terms:

General Transactions	GT Limit (S\$ million)
Utilities Activities	250
Urban Development Activities	20
Engineering and Construction Activities	250
Minting Activities	20

Where the EAR Group’s proportionate share in a transaction with an Interested Person exceeds any of the relevant GT Limits set out above, such transaction must be approved by the audit committee of Sembcorp Industries (the “**Audit Committee**”) prior to its entry. Where the EAR Group’s proportionate share in a transaction is equal to or below any of the relevant GT Limits set out above, such transaction need not have the prior approval of the Audit Committee, but shall be reviewed on a quarterly basis by the Audit Committee.

7.1.2 Treasury Transactions

Placements

In relation to the placement with any Interested Person by the EAR Group of its funds, Sembcorp Industries will require that quotations shall be obtained from such Interested Person and at least two banks for rates of deposits with such bankers of an equivalent amount, and for the equivalent period, of the funds to be placed by the EAR Group. The EAR Group will only place its funds with such Interested Person, provided that the terms quoted are no less favourable than the terms quoted by such banks for equivalent amounts.

Borrowings

In relation to the borrowing of funds from any Interested Person by the EAR Group, Sembcorp Industries will require that quotations shall be obtained from such Interested Person and at least two banks for rates for loans from such bankers of an equivalent amount, and for the equivalent period, of the funds to be borrowed. The EAR Group will only borrow funds from such Interested Person, provided that the terms quoted are no less favourable than those quoted by such banks.

Debt Securities and RPS

In relation to the subscription of debt securities (including but not limited to convertible bonds and hybrid bonds) or RPS issued by, or purchase of debt securities (including but not limited to convertible bonds and hybrid bonds) or RPS from, Interested Persons, the EAR Group will only enter into the subscription or purchase of such debt securities or RPS issued provided that the price(s) at which the EAR Group subscribes for or purchases such debt securities or RPS will not be higher than the price(s) at which such debt securities or RPS are subscribed for or purchased by third parties.

In relation to the issue or sale to Interested Persons of debt securities (including but not limited to convertible bonds and hybrid bonds) or RPS, the EAR Group will only issue or sell such debt securities or RPS to Interested Persons provided that the price(s) at which the EAR Group issues or sells such debt securities or RPS will not be lower than the price(s) at which such debt securities or RPS are issued or sold to third parties. The EAR Group will also comply with all applicable laws and regulations in connection with the issue or sale of such debt securities or RPS to Interested Persons.

For the purposes of the IPT Mandate, the RPS to be subscribed or purchased from Interested Persons, or to be issued or sold to Interested Persons, will not carry any voting rights, except that they shall carry the right to attend any general meeting and in a poll thereat to at least one vote in respect of each such share held:

- (i) during such period as the preferential dividend or any part thereof remains in arrear and unpaid, such period starting from a date not more than 12 months, or such lesser period as the constitution may provide, after the due date of the dividend;

APPENDIX

- (ii) upon any resolution which varies the rights attached to such shares; or
- (iii) upon any resolution for the winding up of the Company.

Forex, Swaps, Options

In relation to forex, swap and option transactions with any Interested Person by the EAR Group, Sembcorp Industries will require that rate quotations shall be obtained from such Interested Person and at least two banks. The EAR Group will only enter into such forex, swap or option transactions with such Interested Person provided that such terms quoted are no less favourable than the terms quoted by such bankers.

In addition to the foregoing, the following threshold limits (“**Treasury Limits**”) will be applied to supplement the internal systems of the EAR Group to ensure that Treasury Transactions are undertaken with Interested Persons on an arm’s length basis and on normal commercial terms:

Type of Treasury Transaction	Treasury Limit (S\$ million)
Placements	100
Borrowings	100
Subscription or Purchase of Debt Securities	100
Issue or Sale of Debt Securities and RPS	100
Subscription or Purchase of RPS	50
Forex, Swaps, Options	50

Where the EAR Group’s proportionate share in a transaction with an Interested Person exceeds any of the relevant Treasury Limits set out above, such transaction must be approved by the Audit Committee prior to its entry. Where the EAR Group’s proportionate share in a transaction is equal to or below any of the relevant Treasury Limits set out above, such transaction need not have the prior approval of the Audit Committee, but shall be reviewed on a quarterly basis by the Audit Committee.

7.1.3 Management Support, Information Technology and Accounting Services

The EAR Group will satisfy itself that the costs for any Support Services provided by or to any Interested Person shall be on an arm’s length and normal commercial basis and in accordance with any formula for such cost recovery agreed with such Interested Person. Transactions exceeding the amount of S\$3,000,000 must be approved by the Audit Committee, and transactions equal to or below S\$3,000,000 shall be reviewed on a quarterly basis by the Audit Committee.

- 7.2** Sembcorp Industries will maintain a register of transactions carried out with Interested Persons pursuant to the IPT Mandate (recording the basis, including the quotations obtained to support such basis, on which they were entered into), and Sembcorp Industries’ internal audit plan will incorporate a review of all transactions entered into in the relevant financial year pursuant to the IPT Mandate.
- 7.3** The Audit Committee shall review these internal audit reports on Interested Person Transactions to ascertain that the established review procedures to monitor Interested Person Transactions have been complied with.
- 7.4** If during these periodic reviews by the Audit Committee, the Audit Committee is of the view that the review procedures as stated above have become inappropriate or insufficient in view of changes to the nature of, or the manner in which, the business activities of the EAR Group are conducted, Sembcorp Industries will revert to Shareholders for a fresh mandate based on new guidelines and review procedures to ensure that Interested Person Transactions will be on an arm’s length and on normal commercial basis.

8. Validity Period of the IPT Mandate

The IPT Mandate, as renewed, will take effect from the passing of the ordinary resolution relating thereto, and will (unless revoked or varied by Sembcorp Industries in general meeting) continue in force until the next Annual General Meeting of Sembcorp Industries following thereafter.
